

CENTRAL NL WASTE MANAGEMENT COMMITTEE (CNWMC)

SPECIAL MEETING

LOCATION: INDIAN BAY

JUNE 16, 2003

1. A. Scott introduced Executive and Board Members present and Mr. Wayne Manuel of Bae NewPlan. Mr. Keith Warren of MAPA was also introduced.

2. Web Site was discussed indicating all minutes, information and technical reports were available for everyone.

3. Problems with landfill sites in New-Wes-Valley and Lumsden. Potential for Indian Bay Site (a recognized Transfer Station) and potential effects for Centerville, Wareham and Trinity. These are the concerns that need to be addressed!

4. CNWMC requested to have Bae NewPlan evaluate the Indian Bay landfill site, recommend renovations required, identify tonnage of garbage from above mentioned communities and future costs for operations. Following the collection of this and other information, another meeting will be called in the area to discuss possible direction. Indian Bay gave permission for the study on their site. Chair will call the next meeting.

5. Adjournment - 9:15 p.m.

Respectfully Prepared,

Edward Evans
Secretary/Treasurer
Central NL Waste Management Committee
