

**Enforcement Officer
One Year Contract
Central Newfoundland Waste Management**

Central Newfoundland Waste Management (CNWM) is establishing a regional Waste Enforcement Program and is securing a contracted individual to implement an illegal dumping surveillance program in the region and promote residential and commercial compliance with the region's mandatory waste separation programs.

As the region's Enforcement Officer, you will:

- Target problem areas and conduct surveillance and investigation of illegal dumping by:
 - Meeting with communities and other stakeholders
 - Conducting site evaluations
 - Installing and monitoring surveillance equipment
 - Preparing disclosure packages
- Support others by providing technical support, outreach and training to various communities and regions that are pursuing their own illegal dumping surveillance programs
- Liaise with communities, the Royal Canadian Mounted Police, Service Newfoundland and Labrador, the Multi-Materials Stewardship Board and other stakeholders to ensure program success
- Conduct research on curbside and landfill waste enforcement practices in other jurisdictions
- Develop and implement enforcement and reward procedures for curbside residential waste
- Engage waste haulers and businesses in the region in the mandatory recycling program
- Educate residents, businesses and waste haulers on materials banned from landfill disposal in NL

Qualifications:

- You have strong problem-solving skills and a high degree of comfort in communicating with members of the public
- You take initiative and are comfortable working alone or independently
- You have experience in or knowledge of the use of surveillance technology for the successful prosecution of illegal activities
- You have knowledge of provincial environmental legislation and policies/procedures related to environmental protection
- You have a valid driver's license, a vehicle that can travel on unpaved roads and willingness to do a significant amount of travel and field work within the region
- Previous experience as a Municipal, Provincial or Federal enforcement officer or related work experience is considered an asset

This one-year contract is for \$50,000. Mileage will be reimbursed and a cellular phone will be provided.

CNWM's mandate is to implement a modern solid waste management strategy that is sustainable and serves all residents and businesses in the Central region. CNWM services over 73,000 residents in over 32,000 households as well as 3,000 businesses from Terra Nova in the east to Buchans in the West to Fogo Island in the North.

Deadline: July 20, 2018 @ 4:00 p.m.
